America was founded on Christian values, (In GOD we trust) and under NRS 201 we are to uphold good morals and public decency. HYPOCRITICAL judges and police are fining and jailing the poor and homeless for sleeping outside under NRS 207.200, but are ignorant of state, Biblical and constitutional law, and are committing sin and Treason per NRS 196 for allowing gay parades and obscenity to continue (sodomy is a crime under NRS 201, and is known as an "infamous crime against nature"). By proclaiming Las Vegas as "Sin City", you proclaim you're guilty before all, and you must realize you are not above the law, (or GOD!) and you will reap what you sow! HELL IS REAL! Fear GOD, REPENT, and stop supporting and serving this hypocritical and wicked group of blind leaders! Stop abusing, harassing, and jailing the homeless, and judge not lest you be judged! OBEY JESUS CHRIST, not Satan! Be sober, don't sin sexually, curse, smoke, gamble or lie. Be forgiven and baptized. The end is near! HOLY IS THE LORD!
