NOTE: COUNCILMAN REESE made this disclosure: This Commercial Visual Improvement application is for the shopping center in which he has leased space for and operated his barbershop since 1959. Additionally, he is the property manager for the shopping center. For these reasons, he has declined to discuss this application with either the property owner or the City staff responsible for handling this application. He had no specific knowledge of the Visual Improvement Plans being considered and has avoided all discussion of this item with members of the City Council. Because of his relationship to the shopping center and its owners, he would be abstaining from the discussion and not voting on this item.

Minutes:

SCOTT ADAMS, Director of the Office of Business Development, stated that approval of this matter would make effective the companion items on the Redevelopment Agency agenda. Staff recommends approval.
