25 undeveloped areas as development takes place and the need therefor arises, and will be  
26 located according to the needs of the area at that time. Such installations will also be made  
27 at the expense of the property owners, either by means of special assessment districts or as  
28 prerequisites to the approval of subdivision plats, building permits or other land use or

1 development applications.

2 SECTION 4: The annexation of the described territory shall become  
3 effective on the 28th day of December, 2007, and on that date the City will have the funds

6 maintenance.

Bill No. 2007-73 – Clarifies the zoning treatment of manufactured homes. Sponsored by:  
Councilman Steven D. Ross

**Fiscal Impact**

**No Impact**

**Augmentation Required**

**Budget Funds Available**

**Amount:**

**PURPOSE/BACKGROUND:**

As required by State law, City zoning regulations treat manufactured homes the same as other single-family detached dwellings under certain conditions. There has been confusion about whether or not the regulations allow manufactured homes in the R-MH District to be attached to the land and thus become “real property.” Although the zoning regulations do not address the issue, it has been decided to clarify the conditions under which manufactured homes are allowed in various districts, and to indicate that zoning terms do not decide the status of a manufactured home as “real property.”

**RECOMMENDATION:**

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
