**PROJECT DESCRIPTION**

This is a request for a Special Use Permit for a Package Liquor Off-Sale Establishment within an existing building at 6485 North Decatur Boulevard Suite 140. The applicant wishes to operate a specialty wine shop, UnWined, which will feature a variety of wines from a variety of regions. A majority of the floor space within the 1,500 SF shop will be dedicated to the displaying and housing of wine in wooded wine racks, while the remainder of the store will feature sales of wine accessory merchandise, a small seating area and demonstration counter. The shop will also offer ½ ounce tasting of wine to customers at no charge, which is permissible under the Package Liquor Off-Sale Establishment use with proper licensing.

The subject proposal meets all Title 19.04 standards for Package Liquor Off-Sale Establishment uses. As this use is located within a much larger retail center, the provided parking is adequate for the proposed use. Further, this use is compatible with the surrounding area and staff recommends approval.

**ANALYSIS**

The subject site is designated SC (Service Commercial) on the Centennial Hills Sector Map of the General Plan. This land use category allows low to medium intensity retail, office, or other commercial uses that serve primarily local area patrons and do not include more intense general commercial characteristics. The existing C-1 (Limited Commercial) zoning district is consistent with the General Plan, and the proposed Package Liquor Off-Sale Establishment is a permitted use with the approval of a Special Use Permit.

The proposed Package Liquor Off-Sale Establishment use is to allow a 1,500 square-foot operation to locate within an approved shopping center at 6485 North Decatur Boulevard Suite 140. The justification letter submitted by the applicant states that the proposed business will feature a wide variety of wines from varying regions and offer ½ ounce tasting of wine at no charge to the customers, which is permissible with the proper wine, cordial and liquor tasting license. The plans indicate that there will be multiple wine storage racks and island display areas which will occupy a majority of the suite. In addition, the suite will feature a small seating area, a demonstration counter/bar, an office, and a single person restroom.
