To Whom It May Concern:

Thank you for taking the time to consider our application for special use permit. Our business is a Supper Club with liquor. We would like to have restricted gaming. We have applied with the State of Nevada for a license to have gaming on the property. We thought that the developer had gotten the special use permit for gaming. They had only obtained it for the liquor. So at this time we are nearly approved for a gaming license and would like to have the special use permit approved as quickly as possible.

Thank you,
