29 November 2007

To: City of Las Vegas PLANNING COMMISSIONERS,
Davenport, Coyne, Truesdell, Evans, Steinman, Trowbridge and Patricia

From: Charleston Neighborhood Preservation

The following 29 November 2006 agenda items have impact on our neighborhood.
We respectfully request that our concerns be given weighted consideration before your
vote is posted.

Item 13. SUP 25017 We request APPROVAL of this SUP because this is needed
by the residents of this area.

Also, it complies with and fulfills an accommodation specified in the "Charleston
Neighborhood Development" Land Use Category amendment to the Master Plan 2020
Land Use Element on 18 Jan 2006.

Items: 21 GPA-24484,
ZON-24787,

SDE-24788. We adamantly OPPOSE such density of population. If only these
are cruel, inhumane living arrangements. We are disappointed that "good" plans are
even planned by another human being. Please, commissioners, DENY these items to
maintain humane living conditions in the communities of our city. Unfathomable and
irresponsible describe the obvious intent of any R-5 plans we've seen.

Your consideration is appreciated.

June Ingram
