

To whom it may concern:

I, Gil Martinez on today's date
as of 12/05/2007 will like to
appeal the decision that was
taken on my case.

My case # is VAR-24820.

The reason why is because I'm
willing to make the proper repairs
so that it can be structurally
correct according to city codes.

But in doing this I will need
a little bit of time
