Minutes:

CHIEF DEPUTY CITY ATTORNEY STEED explained that at the last session of the Legislature, the City requested several amendments to the City Charter, one being the appointment of hearing commissioners by the City Council to hear traffic-related matters. This bill establishes the recruitment framework but does not address funding or who will be selected.

RECOMMENDING COMMITTEE MEETING OF: JANUARY 15, 2008

In response to COUNCILMAN WOLFSON'S query, JAMES CARMANY, Administrator of the Municipal Court, explained that three items will be presented at the City Council, two of which will address funding. A recent analysis indicates that the additional revenue generated from fines and fees will offset the costs and add to the General Fund considerably. Based on the current caseload, one commissioner would be sufficient. However, should that caseload increase significantly, consideration would be given to adding more commissioners.
