This is the first Extension of Time request for the proposed Supper Club. Two separate Extensions of Time (EOT-25833 and EOT-25836) for the accompanying Special Use Permits (SUP-7660 and SUP-7662) have been filed concurrently with this application. ANALYSIS

This approved Special Use Permit (SUP-7661) is to allow a Supper Club within an approved Mixed-Use Development (SDR-12618). The original approval, along with two concurrent Special Use Permits (SUP-7660 and SUP-7662), covered a general area with each use specifically called out to a specific building on the provided site plans. This location for this Special Use Permit (SUP-7661) was specified as Building #4. This building has now been specifically addressed as 7555 Norman Rockwell Lane. The applicant has made significant progress in the related mixed-use development and is particularly approaching completion of final construction for the specified area of entitlement.

FINDINGS

Staff finds that this project is nearing completion and recommends approval of a one-year Extension of Time (EOT-25834) for the approved Special Use Permit for a Supper Club to be located at 7555 Norman Rockwell Lane.
