**Minutes:**

ANTHONY HODGES noted it was his birthday today. He believed that some of the best kept secrets are within this country, yet he continues to defend this country. He is proud of this wonderful nation, and his life has been saved several times by individuals from different races. He believes the civil rights organization, National Association for the Advancement of Colored People (NAACP), has broken several rules against him and that he has been a victim of abuse. It was his opinion that destiny, and not the people, is in control and will take its own course. He submitted documentation for the record.

TEDDY RUSSELL, Las Vegas resident, stated he now attends the Planning Commission meetings again. He desires to see prevailing wages and/or majority union contractors for future developments that employ a minimum of 50 employees. He was thankful for his "fine dining" experience at the El Cortez Hotel.

COUNCILMAN BARLOW congratulated BYRON GOYNES for his appointment as Chairman of the Planning Commission.

MAYOR GOODMAN recessed the meeting at 1:19 p.m. until January 28, 2008 at 10:00 a.m.
