Re: Southern Nevada Community College -Charleston Campus

Oh behalf of our client Southern Nevada Community College (SNCC), we would like to request a Zone Change from R-E to C-V on APN # 163-02-601-003 to stay consistent with the surrounding parcels. The attached site plan indicates SNCC is utilizing this parcel as a parking lot on there campus. Taney Engineering is processing a Parcel Map (PMP-21910) on the complete site to break up the boundry lines for this area.

Please contact this office if you require additional information.

Thank you,

Sincerely,

A handwritten signature in cursive script that reads "Shaelyn Sandoval". The signature is written in black ink and is positioned to the right of the word "Sincerely,".
