PURPOSE/BACKGROUND:

Senate Bill 92, adopted during the 2007 Session of the Nevada Legislature, requires local governments to conform their firearm registration ordinances to State law, so that registration of a firearm within a jurisdiction is not required until after at least 60 days of residency, and registration of pistol by a resident is not required until at least 72 hours after acquisition. This bill will accomplish those changes, as well as conform the City's terminology to that of State law.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
