**PURPOSE/BACKGROUND:**

Each year, the Nevada League of Cities and Municipalities (NLC&M) recognizes Nevada's students who have contributed to their community through service activities. Winners are chosen based on their outstanding citizenship, demonstrated leadership, academic achievement, community involvement and participation in school clubs and organizations. To be considered for this awards program, students must be formally nominated by the municipality they represent. Each member of the NLC&M may nominate students in three categories: junior high, high school, and graduating seniors.

**RECOMMENDATION:**

Staff recommends that City Council approve the list of student nominees to be forwarded to the NLC&M for further consideration and authorizes the Director of Neighborhood Services to execute any and all agreements upon final approval as to form by the City Attorney.
