The CITY will warrant at the time of said final acceptance that there are no encumbrances for material and labor claims.
- L. That installation of said WATER FACILITIES does not assure or guarantee that a complete water service will be available in the future. Until such time as a complete service connection is approved by the DISTRICT and a water commitment is obtained from the DISTRICT, no water may be taken from the new WATER FACILITIES installed under this Agreement.

- D. That noncompliance or violation of the DISTRICT'S Service Rules or any provision of this Agreement by CITY or its officers, employees, agents, contractors, licensees or invitees shall be cause for the DISTRICT, at its sole discretion, to discontinue water service to CITY'S project without challenge by CITY and without liability for any damages caused by said discontinuation.
