# FRENCH QUARTER LOFTS

We are requesting an extension of entitlements to build an eleven story loft/restaurant building in the lawyers district, downtown Las Vegas.

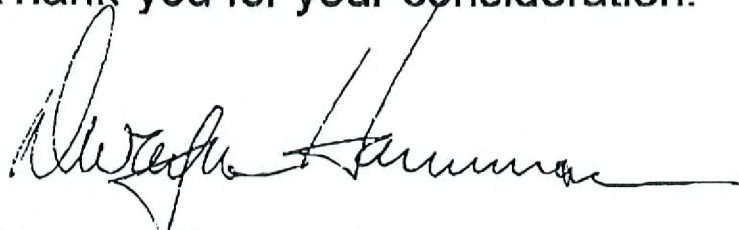

We have had challenges with the owner of the property. We are working diligently to resolve these issues and feel we are close to a solution. We are eager to move forward.

We are located at 708 and 710 S. 6th Street, inside the city of Las Vegas Centennial Plan and Redevelopment District.

Our goal is to help change the landscape of downtown Las Vegas by providing a beautiful building filled with lofts and quality restaurants.

If any further information is requested, we can be reached at (702) 408-8283.

Thank-you for your consideration.
