AMERICAN CITY OF THE YEAR***

* The City of Las Vegas received the World Leadership Award for American City of the Year, in addition to awards for the Centennial Hills Master Planned Campus and the Alternative Fuels Program. More than 400 cities across the world presented projects in a wide range of activities, highlighting the very best in modern city leadership. The awards are given to cities whose leaders have shown exceptional imagination, foresight or resilience in a number of key fields - especially cities that have reversed trends, shaken off traditional images and acted as an example and inspiration to others.
