**PURPOSE/BACKGROUND:**

This bill will repeal and replace Chapter 6.20 of the Municipal Code, relating to cable television services. The bill follows up legislation adopted by the Nevada Legislature during the last session reallocating regulatory authority over providers of such services. This bill will make the adjustments required by the new legislation, but enable the City, as permitted by that legislation, to continue to collect franchise fees and regulate the use of its right-of-way.

**RECOMMENDATION:**

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
