**** STAFF REPORT ****

PROJECT DESCRIPTION

This is the first request for a two-year Extension of Time of an approved Site Development Plan Review (SDR-9893) for a 9,790 square-foot Commercial Development with a Waiver to allow a rear landscape buffer of five feet where 10 feet is the minimum required. The 0.93 acre subject site is adjacent to the southwest corner of Nellis Boulevard and Owens Avenue, 112 feet south of Owens Avenue and 152 feet west of Nellis Boulevard. This Site Development Plan Review request was initially approved by City Council on 1/04/06 with an expiration date of 1/04/08.

Two related Extensions of Time, EOT-26820 for the approved Rezoning (ZON-9892) and EOT-26822 for the approved Variance (VAR-10104) will be heard concurrently with this request.

ANALYSIS

This is the first Extension of Time request for the approved Site Development Plan Review (SDR-9893). A General Plan Amendment (GPA-10568) that established the appropriate land use designation for the proposed C-1 (Limited Commercial) Zoning District was approved after this Site Development Plan Review. This action has allowed the applicant to proceed with a Reversionary Map (FMP-24109), which is pending final recordation. This Site Development Plan Review was approved with a required Variance (VAR-10104) from the Residential Adjacency Setback requirements; the associated Extension of Time (EOT-26820) for the required Variance will need to be approved concurrently with this Extension of Time of the approved Site Development Plan Review.

No building permits have been filed against the subject site. The applicant has submitted civil plans which have not received final approval as they are still in the reviewing stage awaiting corrective actions.

FINDINGS

Staff recommends a two-year Extension of Time that will expire on 1/04/10 for the approved Site Development Plan Review (SDR-9893). The Extension of Time will allow additional time for the applicant to complete the proposed development for the subject site.
