RE: Community Design Element

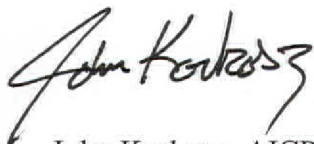

Dear Mr. Rankin:

Please accept this letter as justification for a General Plan Amendment to adopt a Community Design Element and amend the 2020 Master Plan.

As a component of the Master Plan, the Community Design Element, will satisfy NRS requirements and provide a comprehensive document that will assist with the long-range planning efforts for community design within the city of Las Vegas.

Please do not hesitate to contact me at 229-4851 should you have any questions.

Sincerely
