City of Las Vegas
400 Stewart Avenue, 10th Floor

Dear Councilman Barlow:

As property owners within the "Fremont East Entertainment District", we would like to offer our support for the continued funding of Special Improvement District 1516 - "Maintenance District", via an assessment levied on property owners within the Fremont East District.

The streetscape improvements are a wonderful addition to this area of downtown and are an important attraction for new entertainment venues opening throughout Fremont East and attracting more visitors to downtown Las Vegas.

In addition, we request that you will grant us an Extension of Time for SUP-18637 (Case # EOT -26896) and SDR -18638 (Case # EOT -26898) during this April 2nd city council meeting.

Again, we support and approve of the continued funding of Special Improvement District 1516 and look forward to working with the City of Las Vegas in the revitalization of our neighborhood.

Respectfully,

Dan Martinez
