April 2, 2008

Honorable Mayor Goodman,

Would you please be so gracious to read into the record, my support for the Moulin Rouge Development, items 89-92.

As a residents and representative of the area, along with Councilman Barlow, I believe the developers will truly create a positive and productive addition to our community.

Thank your staff and planning commission for their approval and I humbly ask the City Council to please follow the recommendations.

Respectfully,

Lawrence Weekly
Commission District D
