PURPOSE/BACKGROUND:

As a result of the Martin L. King Boulevard widening project, five (5) fire hydrant easements need to be relocated. Consequently, these five (5) easements were granted to the City of Las Vegas. However, the Las Vegas Valley Water District (LVVWD) requires fire hydrants to be granted in the name of the LVVWD. Thus, the City of Las Vegas is assigning its rights previously granted in the five (5) fire hydrant easements to the Las Vegas Valley Water District.
