PURPOSE/BACKGROUND:

This bill will eliminate the requirement that a general business-related gaming establishment licensed to sell alcoholic beverages obtain a separate special use permit for the gaming use. Such uses (supper clubs and urban lounges) must obtain a special use permit for alcoholic beverage service, and typically include up to the maximum 5 slot machines allowed. The requirement for two separate special use permits has been deemed an unnecessary duplication of process. A single special use permit process should be sufficient to consider both the alcohol- and gaming-related aspects of the use.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
