We strongly oppose Calvary's request to allow for a social service provider, dentistry. If Calvary wants to conduct a commercial business, they should move it to a commercial property not the middle of a residential area.

The past expansion projects by this church have never been completed as promised to the neighborhood. This is just another way to raise revenue. As a social service, what will they be bringing to the neighborhood? Vagrants, homeless that don't live here? Reducing crime, graffiti, increasing safety of the neighborhood is not going to be accomplished by creating a social service venue in the middle of a quiet neighborhood. They border my property, we don't need the added noise, traffic, and safety concerns this social service bring to the area.

Sincerely,

Frank Butta
