Dear Carole:

We recently filed an appeal of this condominium conversion application, which was recommended for denial at the February 14, 2008 Planning Commission meeting. We understand this appeal was to be scheduled for the March 19, 2008 City Council meeting. In order to give us sufficient time to prepare for this appeal, we would request that the appeal be rescheduled for the April 16, 2008 meeting of City Council.

Thank you for your assistance in coordinating this request with the Office of the City Clerk.

Warm regards,

Gary Leobold, AICP
