

AGENDA MEMO

PLANNING COMMISSION MEETING DATE: MAY 8, 2008

DEPARTMENT: PLANNING AND DEVELOPMENT

ITEM DESCRIPTION: ABEYANCE - SUP-27048 - APPLICANT/OWNER: HITT W. DOUGLAS FAMILY TRUST

**** CONDITIONS ****

STAFF RECOMMENDATION: DENIAL. If Approved, subject to:

Planning and Development

1. Conformance to all minimum requirements under the Town Center Development Standards Manual for Convenience Store with Fuel Pumps, including parking requirements.
2. Approval of and conformance to the Conditions of Approval for Major Modification (MOD -27044), Special Use Permits (SUP-27046, SUP-27047, SUP-27049) and Site Development Plan Review (SDR-27051) shall be required.
3. This approval shall be void two years from the date of final approval, unless a building permit has been issued for the principal building on the site. An Extension of Time may be filed for consideration by the City of Las Vegas.
4. This business shall operate in conformance to Chapter 6.50 of the City of Las Vegas Municipal Code.
5. All City Code requirements and design standards of all City departments must be satisfied, except as modified herein.

**** STAFF REPORT ****

PROJECT DESCRIPTION

This is a request for a Special Use Permit for a proposed 3,275 square-foot Convenience Store with Fuel Pumps at the northwest corner of Durango Drive and Deer Springs Way.

In addition to this application, the applicant has requested a Modification of a Major Modification (MOD-27044) of the Town Center Land Use Plan from UC-TC (Urban Center Mixed Use - Town Center) to GC-TC (General Commercial - Town Center), a Site Development Plan Review (SDR-27051) for a 41,741 square-foot retail and office development with Waivers to allow an eight-foot landscape buffer where a 15-foot buffer is required on Durango Drive, a 15-foot setback where a 20-foot setback is required for a gas station, and Town Center landscape finger requirements within the parking area, and Special Use Permits for a Liquor Establishment [Tavern (SUP-27046)], a Restaurant with Drive-Through (SUP-27047) and a Beer/Wine/Cooler Off-Sale Establishment in conjunction with Convenience Store (SUP-27049).

Please note that the Special Use Permit applications for a Liquor Establishment [Tavern (SUP-27046)] and Beer/Wine/Cooler Off-Sale Establishment in conjunction with a Convenience Store (SUP-27049) are permitted with a Special Use Permit in UC-TC (Urban Center Mixed Use). However, this applications proposal for a Convenience Store with Fuel Pumps and a Restaurant with Drive-Through (SUP-27047) are not permitted in UC-TC (Urban Center Mixed Use), but are permitted with a Special Use Permit in GC-TC (General Commercial Town Center), which is in part, the applicants cause for the Major Modification (MOD-27044) request.

BACKGROUND INFORMATION

<i>Related Relevant City Actions by P&D, Fire, Bldg., etc.</i>	
02/13/03	The City Council approved a Rezoning (ZON-1620) of the subject property from U (Undeveloped) Zone [UC-TC (Urban Center Mixed-Use - Town Center) General Plan designation] to T-C (Town Center), a Special Use Permit (SUP-1569) for a 6,622 square- foot Tavern on a portion of the subject property, and a Site Development Plan Review (SDR-1741) for a proposed 6,622 square foot Tavern on a portion of the subject site. The Planning Commission recommended approval and staff recommended denial.

May 8, 2008 - Planning Commission Meeting

Pre-Application Meeting	
02/13/08	A pre-application meeting was held and elements of this application were discussed. In addition to this application, a Major Modification, Site Development Plan Review and several Special Use Permit applications were discussed. A list was provided detailing the Waivers from Town Center Development Standards that the applicant needed to request. Submittal requirements were discussed.
Neighborhood Meeting	
03/11/08	A neighborhood meeting was held on Tuesday, March 11, 2008 at 6:45 p.m. at the Centennial Hills Community Center located at 6601 North Buffalo Drive, Las Vegas, NV. Applicant gave a brief presentation, described changes, and explained office building would not be built at same time as other uses. Also might consider a hotel in the future.
05/06/08	A second neighborhood meeting is scheduled to be held on Tuesday, May 6, 2008 at 6:45 p.m. at the Centennial Hills Community Center located at 6601 North Buffalo Drive, Las Vegas, NV.
Field Check	
03/04/08	A field check was made on site. The site is currently undeveloped and non-graded with desert vegetation.

ANALYSIS

•Zoning

The subject site is currently zoned T-C (Town Center) with a UC-TC (Urban Center Mixed Use) General Plan designation. The proposed Convenience Store with Fuel Pumps is not within the range of uses permitted with a Special Use Permit in the T-C (Town Center) zoning district and UC-TC (Urban Center Mixed Use) land use designation. Therefore, the applicant has requested a Modification of a Major Modification (MOD-27044) of the Town Center Land Use Plan from UC-TC (Urban Center Mixed Use - Town Center) to GC-TC (General Commercial - Town Center), which allows a Convenience Store with Fuel Pumps with a Special Use Permit.

Companion applications are a Site Development Plan Review (SDR-27051) for a 41,741 square-foot retail and office development with Waivers to allow an eight-foot landscape buffer where a 15-foot buffer is required on Durango Drive, a 15-foot setback where a 20-foot setback is required for a gas station, and Town Center landscape finger requirements within the parking area, and Special Use Permits for a Liquor Establishment [Tavern (SUP-27046)], a Restaurant with Drive-Through (SUP-

SUP-27048 - Staff Report Page Five
May 8, 2008 - Planning Commission Meeting

27047) and a Beer/Wine/Cooler Off-Sale Establishment in conjunction with Convenience Store (SUP-27049).

Please note that the Special Use Permit applications for a Liquor Establishment [Tavern (SUP-27046)] and Beer/Wine/Cooler Off-Sale Establishment in conjunction with a Convenience Store (SUP-27049) are permitted with a Special Use Permit in UC-TC (Urban Center Mixed Use). However, this applications proposal for a Convenience Store with Fuel Pumps and a Restaurant with Drive-Through (SUP-27047) are not permitted in UC-TC (Urban Center Mixed Use), but are permitted with a Special Use Permit in GC-TC (General Commercial Town Center), which is in part, the applicants cause for the Major Modification (MOD-27044) request.

•Standards for Specific Uses and Activities

The standards for Convenience Store (Gas Station) with Fuel Pumps in Town Center are as follows:

1. Exterior walls of all gas and auto service station buildings are to be designed as part of the architectural form of the primary building or surrounding buildings.
2. When part of a larger structure, standard setback requirements shall apply to gas and auto service stations.
3. When gas stations are freestanding structures, they must be set back an additional five feet from the required setback to provide a more substantial landscape buffer.
4. The main building of the gas and auto service station, that contains the cashier and convenience store, must be located against the right-of-way and face the inside of the parcel
5. Gas pumps must be located away from the right-of-way to provide for safe access. All accessways shall be coordinated with adjacent uses.
6. To further enhance the presence of gas and auto service stations, care must be given to the lighting. Overhead lighting of a station shall be controlled to avoid spill-over onto adjacent uses. The lighting in the underside of the gas pump canopy must be recessed to avoid unnecessary glare and control spillover.

SUP-27048 - Staff Report Page Six
May 8, 2008 - Planning Commission Meeting

As part of Site Development Plan Review (SDR-27051), the applicant has requested a Waiver of the standard when gas stations are freestanding structures, they must be set back an additional five feet from the required setback to provide a more substantial landscape buffer.

•**Conditions**

The conditions of approval for Convenience Store with Fuel Pumps in Town Center are as follows:

- a. Shall not locate within 330 feet of any single family detached dwelling.
- b. The installation and use of an outside public address or bell system is prohibited.

The proposed Convenience Store with Fuel Pumps is located less than 330 feet from single-family attached condominiums to the north of the site, which are not a protected by the condition above; therefore, the proposal meets the conditions of approval

FINDINGS

The following findings must be made for a Special Use Permit:

- 1. The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

As a companion application, the applicant has requested a Modification of a Major Modification (MOD-27044) of the Town Center Land Use Plan from UC-TC (Urban Center Mixed Use - Town Center) to GC-TC (General Commercial - Town Center), which allows a Convenience Store with Fuel Pumps with a Special Use Permit. The existing land uses that surround this develop are designated UC-TC (Urban Center Town Center). The intent of the Urban Center Mixed Use District is to enable development with imaginative site and building design and maximize the use of the property. The Town Center Development Standards prohibit Drive-Through Facility uses within the UC-TC (Urban Center Town Center) special land use designation. The applicant has created a non-pedestrian friendly environment and a vehicular dependent commercial center saturated with Drive-Through Facilities. Therefore, the proposed land use is seen as not being harmonious with the surrounding area.

- 2. The subject site is physically suitable for the type and intensity of land use proposed.**

**SUP-27048 - Staff Report Page Seven
 May 8, 2008 - Planning Commission Meeting**

The Major Modification (MOD-27044) and Site Development Plan Review (SDR-27051) are not suitable for the type and intensity of land use proposed; therefore, the request for a Restaurant with Drive-through is not suitable.

3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

The subject property fronts on Durango Drive, which is designed as a 120-foot wide Primary Arterial street on the Master Plan of Streets and Highways, and accesses Deer Springs Way, which is designated as an 80-foot wide Secondary Collector street. Access is also proposed to a local street along the north side of the property. Deer Springs Way will provide adequate access to the development.

4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.

A Convenience Store with Fuel Pumps use will be subject to regular City and County inspections for licensing; therefore, public health, safety, and welfare will not be compromised.
