Minutes:

TODD FARLOW, 240 North 19th Street, stated that he attended the Sustainable Architectural Lecture at UNLV given by DR. MARGARET CRAWFORD, who authored a book on everyday urbanism. He was appalled and disappointed, as DR. CRAWFORD encouraged neighborhood socialization and showed photographs of such things as front lawns converted into yard sales. MR. FARLOW remarked that this is the type of advocacy being taught.

MARGO WHEELER, Director of the Planning and Development Department, thanked the Commissioners who took part in the recent Planning Conference. She expressed her appreciation to those who participated in the workshops conducting tours, making speech presentations and making the entire Conference a huge success.

Meeting adjourned at 7:05 p.m.
