**PURPOSE/BACKGROUND:**

Citizens have expressed a concern to extend the road on N Street between Jefferson Avenue and Madison Avenue. Public Improvements will include construction and street replacement on portions of N Street, a new streetlight and sidewalk. The increased lighting, new roadway and sidewalk will improve safety and allow for handicap access. Since this neighborhood is located in a CDBG targeted area, these public improvements meet a HUD National Objective.

**RECOMMENDATION:**

Staff recommends that the City Council approve funding for the N Street Public Improvements Project and authorizes the Department Directors to execute any and all related agreements and documents required for this project following approval as to form by the City Attorney.
