RE: Wendy Chor
May 5, 2008

Dear Ms. Meyer,

I would hope your recommendation and the boards recommendation will be for the approval of Wendy Chor as a key employee for our company. Wendy Chor continues to do a good job for Short Line Express Market. Her store has had monthly sales increases in both merchandise and gasoline. During the time from her last meeting with you, and today, she has not missed a day of work and continues to be a reliable employee. Any problems that take place at the store seem to be the normal problems from operating a 24 hour operation.

Wendy's store has had several alcohol and cigarette checks internally and through our hired company checks. All these test have been passed successfully. I have included the reports on that store for your review and files.

I expect to be able to make the meeting this week and be available for any question you may have. The only thing that may come up is a funeral that I would have to go to. If you have any further questions, please don't hesitate to call me at 702-592-6248 or 396-6703.

Sincerely,

Duane Shields
Vice President
