**PURPOSE/BACKGROUND:**

Chapter 484 of Nevada Revised Statutes was amended by Senate Bill 450 during the 2007 Legislative Session, mandating the establishment of a regional advisory committee to advise the Department of Transportation on certain issues relating to oversized and overweight vehicles. Membership of the committee includes one member appointed by the Department of Transportation to serve as the chair of the committee; one member appointed by the Board of County Commissioners, one member appointed by the City Council of each city within the county; one member appointed by the largest construction industry association in the county; and one member appointed by the largest motor transport association in the county. Members serve a two year term with no limit to the number of terms, and unexpired terms must be filled. Due to Mr. Kajkowski's retirement, a new member who possesses the same general qualifications must be appointed to fill the unexpired portion of his term. Procedure for this Board is appointment by City Council.

**RECOMMENDATION:**

Options are: Appoint a new member to fill the unexpired portion of Mr. Kajkowski's term
