Dear Las Vegas City Planning,

I strongly oppose this application by Anthony Tarvin (ET AL) for a tattoo parlor and body piercing studio at 1104 Fremont Street. I am the new owner of the Peachtree Apartments at 1121 Ogden Street which is located one block north from the purposed site. Previously, this property had several problems with the Las Vegas Metro Police due to certain activities occurring in and around the site. I have been working with my property management to identify and evict problem tenants, fix up the property (which had a ton of deferred maintenance) and thus contribute to developing a thriving, safe, and beautiful downtown area free of crime and drug use. I believe that businesses such as this one will attract an undesirable element to the neighborhood or create an additional destination for such individuals to congregate. This is in contrast to my vision and I hope the City of Las Vegas' vision of rebuilding the downtown area and restoring it to thriving and safe business and residential community with this great city. I urge the City of Las Vegas to please consider "not" approving this application. Thank You.

Sincerely,

Michael White

Owner of Ogden Street LLC and Peachtree Apartments 1121 Ogden St. Las Vegas,
Nevada
