Re: Request of Abeyance (2nd) --- Agenda Items: Downtown (DN-1) Substation
SDR-27953 & VAR-27954

Dear Larry:

We're requesting to postpone the above agenda items; moving them from the scheduled Planning Commission Meeting Agenda dated June 26, 2008 to the Planning Commission Meeting Agenda scheduled for July 10, 2008.

The additional timeframe will allow us to have addition correspondence with the neighbors adjacent to our site.

We await your confirmation. Call me if we need to discuss anything.

Thank you,
