Regarding: Site Development Plan Review: 125-12-602-004, 8525 Thom Boulevard

To Whom it may concern:

The current property is owned by the Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter Day Saints, a Utah Corporation Sole, and a meetinghouse and parking lot are currently on the front of the property. This application is for the development of the westerly remaining undeveloped portion of the parcel to a recreation area. Included in this area will be new landscaping, sod area and pre-engineered pavilion installed with the same roof tiles as installed on storage building and chapel.

The facility to be constructed will be used year round, customarily, between the hours of 8:00am and 10:00pm. Church and Family events will be staged at the site and will include such activities as Barbecues, arts and crafts demonstrations, unorganized outdoor sports engagements, picnics, and holiday related activities such as Easter egg hunts and Halloween festivals.

This will complete the planned development of the entire site.

Respectfully,

Kevin Reisch
