

APOSTOLIC ASSEMBLY OF THE FAITH IN CHRIST JESUS
10807 Rancho Cucamonga, Ca. 91730

To whom it may concern:

We are a Christian Organization. We are members of the Apostolic Assembly of the Faith in Christ Jesus.

Our purpose in acquiring this commercial property is to convert it in to a place of assembly for our congregation.

Since this building was originally used for a Credit Union, we need to do some changes in order to accommodate the place for our congregation needs.

We are planning to do some Interior Remodeling, New Parking Layout Providing 29 Parking Spaces; 27 Standard Size and 2 more Accessible Parking Spaces. Also, we are proposing 1,071 sq. ft. Addition to the East Part of the Existing Commercial Building.

At the same time, in order to comply with the Title 19, which requires 8'-0" Landscaping Stripe on Interior Lot Lines, we are leaving a 5'-0" Landscaping Stripe on East Boundary and 0'-0" Landscaping Stripe on South Boundary because we want to comply with the parking requirement; for that reason we are requesting a Waiver for the Interior Lot Landscaping requirement.

We believe that, by providing us with the opportunity to serve our community, we could bring hope and services to this neighborhood in a much needed way.

With much anticipated gratitude, we submit to your consideration the following application.

Sincerely:

Pastor Alberto Sarabia
