Return Service Requested Official Notice of Public Hearing

Council member, I don't really approve of another power substation in my neighborhood. We've had a substation, 2 power stations on Shadow in front of me & now one behind me. I know quite well of the new development going in on Shadow they need the power if I agree that I put that power in my yard. My husband when he was a kid did something and for our neighborhood outside of Las Vegas give me & give more. Janice Shuman 6/1/08
