Planning & Development Department

RE: Justification Letter, Blue Moon Resort LLC

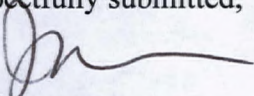

Dear Sir/Madam:

This is a request for a Hotel Lounge Bar special use permit at Blue Moon Resort/Hotel.

The laws in the City allow, with City Council approval, the granting of this use for hotels of less than 150 rooms on a case-by-case basis. The hotel has 43 rooms/suites at this time.

The Blue Moon Resort is a destination resort yet alcohol is not allowed on the premises unless we are granted this use.

Respectfully submitted,

  
Joe Lamarca  
Manager  
OHDB
