COUNCILWOMAN TARKANIAN called forward and recognized VIANNEY HERNANDEZ, Apartment Manager for Park Village Apartments, as Citizen of the Month for June 2008 for becoming involved in and bringing people together in her neighborhood to help make change and create a safe environment for children. She is doing this through diligent involvement in a project called KEEN (Keeping everyone's Eyes on the Neighborhood). With the education of the Las Vegas Metropolitan Police Department (Metro) and the cooperation of her boss, RACHEL MULLEN, she has disseminated information via the voices of her fellow apartment managers to raise awareness.

COUNCILWOMAN TARKANIAN thanked MS. MULLEN for all her assistance despite being with an out-of-state company, and DENISE STRIDE, for her assistance and taking the time to meet regularly on Tuesdays to discuss how to make change in the community.

COUNCILWOMAN TARKANIAN noted that the smallest of efforts can spark change.

COUNCILWOMAN TARKANIAN presented MS. HERNANDEZ with a Citizen of the Month certificate, noting that, unlike many who come to the United States from other countries just to take, MS. HERNANDEZ has given so much.

MS. HERNANDEZ greatly appreciated the recognition, as well as all the support from Metro, MS. STRIDE and so many people in the community. With their assistance, a lot of changes are being made.
