**PURPOSE/BACKGROUND:**

This Resolution will support the development of the Global Green Connection Center project as proposed by H2Green Technologies and authorize the City Manager and staff to negotiate and determine the scope of the City's involvement as a public sector participant in the development and construction of the proposed Global Green Connection Center. The proposed Global Green Connection Center shall serve as a civic centerpiece that positively influences existing businesses and includes additional private investment supportive of the City's economic development and provides facilities attractive to the major multi-national corporations, universities, financial institutions as well as domestic and international cities and local citizens and visitors throughout the year.

**RECOMMENDATION:**

It is recommended that the City Council approve this Resolution and authorize its execution on behalf of the City.
