CHAIR GOYNES declared the Public Hearing open.

DOUG RANKIN, Planning and Development Department, stated that this text amendment would bring Title 18 more into compliance with Title 19 and Nevada Revised Statutes requirements. He added that it would also allow easements and government patent reservations to be final action by the Planning Commission. He noted that vacations and rights-of-way would still be forwarded with a recommendation to the City Council. He recommended approval.

CHAIR GOYNES declared the Public Hearing closed.
