3 AN ORDINANCE TO UPDATE PROVISIONS OF THE CITY'S SIGN REGULATIONS  
4 RELATING TO ENFORCEMENT, REMEDIES AND PENALTIES, AND TO PROVIDE FOR  
OTHER RELATED MATTERS.

5 Sponsored by: Councilman Gary Reese

Summary: Updates provisions of the City's sign  
regulations relating to enforcement, remedies  
and penalties.

7 THE CITY COUNCIL OF THE CITY OF LAS VEGAS DOES HEREBY ORDAIN  
8 AS FOLLOWS:

9 SECTION 1: Title 19, Chapter 14, Section 110, Subsection (A), of the Municipal  
10 Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

11 (A) Signs Prohibited in Public Right-of-Way.

12 (1) General Rule. Signs shall be prohibited in the public right-of-way, except as provided  
13 in this Section.

14 (2) Presumption. A sign erected or placed in the public right-of-way and containing an  
15 individual's name, telephone number, address or identification of a product shall be presumed to have  
16 been erected or placed by or at the direction of the person or entity associated with that name,  
17 business, telephone number, address or product. That presumption is a rebuttable presumption which  
18 the affected person or entity may disprove by competent evidence in any enforcement action or  
19 administrative [hearing] proceeding involving such signs. However, in an administrative proceeding  
20 against the affected person or entity, the presumption is not rebutted if the sign was erected or placed  
21 by a person or entity who, pursuant to contract or otherwise, is acting on behalf of the affected person  
22 or entity.

23 SECTION 2: Title 19, Chapter 14, Section 170, Subsection (B), of the Municipal  
24 Code of the City of Las Vegas, Nevada, 1983 Edition, is hereby amended to read as follows:

25 (B) Remedies and Penalties. Any sign installed or placed on any property in violation of the  
26 requirements of this Chapter shall be subject to the following:

27 (1) With respect to any sign that constitutes a hazard to the public or a sign without proper  
28 certification that has been installed or placed on unimproved property, on public property or within

1 public right-of-way, the sign may be immediately removed and impounded. The City shall notify the  
2 sign owner(s) or installer (or other responsible person) of the impoundment, if the person or persons  
3 are known to or reasonably can be determined by the City. The notice shall be given within five days  
4 after impoundment of the sign, or within the additional time as may be necessary in order to identify  
5 and locate the person or persons. The City will keep the sign for a period of thirty days following the  
6 sign's removal, during which time the owner(s) or other responsible person may reclaim the sign. At  
7 the end of the thirty-day period, the sign may be destroyed.

8 (2) Signs that are not made subject to the impoundment provisions described in Paragraph  
9 (1) above are subject to removal and impoundment ten days after appropriate notice has been given[.],  
10 or after such shorter period as the notice may indicate. Appropriate notice shall be deemed to have  
11 been given if the City provides written notice to the owner(s) or installer of the sign (or other  
12 responsible person). If the notice cannot be given after reasonable efforts to identify and locate the  
13 person or persons, the City may affix a notice of noncompliance to the sign itself. If the sign has not  
14 been removed or brought into compliance within ten days, or such shorter time as the notice may  
15 indicate, the City may remove and impound the sign. Following the removal and impoundment of a  
16 sign, the City will keep the sign for a period of thirty days following the sign's removal, after which  
17 the sign may be destroyed.

18 (3) In addition to other remedies, the City shall have the right to recover from the owner(s)  
19 or installer of such a sign, or the owner(s) of the property on which it is located, or any other  
20 responsible person, the full costs of removal and disposal of the sign. The City shall certify the  
21 removal and may charge the owner(s) or installer or other responsible person for the removal, payable  
22 within ten days after receipt of a statement of charges or the charges may be a special assessment and  
23 a lien on the property involved and subject to the provisions of LVMC 9.12.150, 9.12.160 and  
24 9.12.170. It is presumed that the person or entity whose identity is represented on the sign is a person  
25 responsible for installing the sign, which presumption may be rebutted by [affidavit.] competent  
26 evidence. However, the presumption is not rebutted if the sign was erected or placed by a person or  
27 entity who, pursuant to contract or otherwise, is acting on behalf of the person or entity whose identity  
28 is represented on the sign.

(4) Removal pursuant to this Subsection may be accomplished by the City or its authorized agent.

(5) For any premises on which there is an existing sign that violates any part of this Chapter, the City may withhold permits for any other signs, including temporary signs, until the violation has been corrected or the property owner(s) has entered into a written agreement with the City for abatement of the violation by a specified date. The provisions of this Paragraph shall not apply to any sign that is not under the legal control of the applicant for a new sign, whether as owner(s) or lessee(s). A sign user simply renting one space on a larger "tenant board" or other sign advertising multiple businesses shall not be considered to be in control of such sign.

(6) Any violation of this Chapter shall be a misdemeanor. The City may issue a citation and upon conviction seek imposition of fines in accordance with the following schedule:

(a) Upon a first conviction, a minimum of two hundred fifty dollars;

(b) Upon a second conviction within a period of one year, or a first conviction within a period of one year following a finding of civil liability regarding a violation of this Chapter, a minimum of five hundred dollars; and

(c) Upon each subsequent conviction, [within period of one year, minimum] a fine of one thousand dollars.

(7) As an alternative to a criminal prosecution regarding a particular violation, the City may process the violation as a civil nuisance under LVMC 9.04.040 et seq. Upon a finding of civil liability, the City may seek an imposition of civil liability in accordance with the following schedule:

(a) Upon the first finding of civil liability, a minimum of two hundred fifty dollars;

(b) Upon a second finding of civil liability within a period of one year; a first finding of civil liability within a period of one year following a conviction; or any subsequent such finding, a minimum of five hundred dollars.

(8) Each day that any sign has been installed, created, erected, maintained or abandoned in violation of this Chapter shall be considered a separate violation when applying the criminal or civil penalty portions of this Chapter.

SECTION 3: For purposes of Section 2.100(3) of the City Charter, LVMC 19.14.110

1 and 19.14.170 are deemed to be subchapters rather than sections.

2 SECTION 4: If any section, subsection, subdivision, paragraph, sentence, clause or  
3 phrase in this ordinance or any part thereof is for any reason held to be unconstitutional or invalid or  
4 ineffective by any court of competent jurisdiction, such decision shall not affect the validity or  
5 effectiveness of the remaining portions of this ordinance or any part thereof. The City Council of the  
6 City of Las Vegas hereby declares that it would have passed each section, subsection, subdivision,  
7 paragraph, sentence, clause or phrase thereof irrespective of the fact that any one or more sections,  
8 subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional,  
9 invalid or ineffective.

10 SECTION 5: Whenever in this ordinance any act is prohibited or is made or declared  
11 to be unlawful or an offense or a misdemeanor, or whenever in this ordinance the doing of any act is  
12 required or the failure to do any act is made or declared to be unlawful or an offense or a  
13 misdemeanor, the doing of such prohibited act or the failure to do any such required act shall  
14 constitute a misdemeanor and upon conviction thereof, shall be punished by a fine of not more than  
15 \$1,000.00 or by imprisonment for a term of not more than six months, or by any combination of such  
16 fine and imprisonment. Any day of any violation of this ordinance shall constitute a separate offense.

17 SECTION 6: All ordinances or parts of ordinances or sections, subsections, phrases,  
18 sentences, clauses or paragraphs contained in the Municipal Code of the City of Las Vegas, Nevada,  
19 1983 Edition, in conflict herewith are hereby repealed.
