ANALYSIS

This is the second review of the Special Use Permit SUP-3115. The Off-Premise Sign (Billboard) is located within the C-1 (Limited Commercial) zoning district, which is permitted, with approval of a Special Use Permit. The sign is not located within the Off-Premise Sign Exclusionary Zone. A visual inspection conducted on 4/03/08 of the billboard in review found the sign was in good condition, with no embellishments, graffiti, bird droppings, or additional signs per face. However, during research into the building permit history of the subject billboard, staff discovered that the permit expired prior to a final inspection taking place.

FINDINGS

The Off-Premise Advertising (Billboard) Sign is in relatively good condition and is in general compliance with the location and development provisions listed in Title 19.14.100. However, this Off-Premise Advertising (Billboard) Sign lacks a final inspection on the building permit for installation; therefore denial of this request is recommended. If approved, conditions of approval have been added to bring the Off-Premise Advertising (Billboard) Sign into compliance.

PLANNING COMMISSION ACTION

The Planning Commission amended the conditions as shown.
