TO THE PLANNING AND DEVELOPMENT DEPARTMENT

(REQUESTING PERMIT AS OWNER BUILDER)

I, JULIETA DILUNA, residing at above described property, am requesting a building permit. The nature of this project and permit is to build a carport cover to protect myself and my automobile from the high temperatures reached in the summer. On the first part of this letter is included the development data. It is required the following measurements: 25 Ft. long from the sidewalk. I requested 16 Ft. long by 14 Ft. wide. My current zoning designation: R-1. I am requesting that I be granted a permit to provide the parking carport cover at the front of my home. I have approached all the neighbors of my block or street and I have had a petition signed, allowing me to build my carport. Over 30 of my neighbors signed a consent.

Thank you for considering my application for a Builders Permit.

Yours truly,
Julieta Diluna
