July 31, 2008

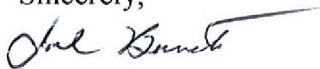

City of Las Vegas  
Planning & Development Department  
731 South 4<sup>th</sup> Street  
Las Vegas, NV

Gentlemen:

Please consider this my letter of justification for the installation of 1,460 feet of border neon to the exterior of the south, west and north elevations of the store front address at The Annex, 4880 Rancho Drive, Las Vegas, Nevada. The east elevation will not have any neon. This will allow the residence a clear view of the building. The border neon will be for direct access from the parking lot. The border neon will not inhibit any of the public traffic on the thru streets (Rancho Drive & Lone Mountain Road). The six sets of building letters were manufactured and installed on a separate permit.

This request for justification is that the border neon will architecturally enhance the design of the building.

Sincerely,

Joel Bunata
