This is a Spanish speaking, family-oriented neighborhood with many children. A "Notice of Public Hearing" such as this should be in English and Spanish. If all the voting stuff comes by-lingual, why not this?

There are also a lot of illegal activities in the neighborhood. There are some people who fix cars to sell. There are creating pollution which is not good for the lungs of everybody.

Martha Hilario
I am the owner-adm. of the residential group home which is only 300 feet away from the half-way house. There is already an existing half-way house for drug abuser and alcoholics without license which is creating problems to my old people. They can no longer walk in the neighborhood. There are a lot of traffics especially on Wednesdays.
