Dear Homeowner:

This letter is to inform you that the City of Las Vegas has submitted an application to the Bureau of Land Management to lease the subject property on the reverse side of this letter.

The purpose of the lease is to build a public park on a large portion of the property. Some of the property will be used for future roadway expansion.

As you are aware, Las Vegas is one of the fastest growing communities in the country and most of this growth has occurred in the northwest sector of the City. As the City continues to grow, increased requests have been placed on the City to provide new park and recreation facilities for existing and future residents. It is intended that this park project will provide a location where individual recreation needs will be possible. The park will be geared to all ages and abilities. The facility will include individual and group picnic shelters, parking, rest rooms, a walking trail, a dog run area, playground, soccer fields and open turf space. A metropolitan police substation is also planned for the west side of the fire station

Feel free to contact Robin with the Bureau of Land Management at 515-5087 if you have any questions or concerns regarding this matter.

Thank you for your time and consideration.

Re: R&PP Lease N-63336 – Amended Plan of Development

Dear Ms. DiPinto:

The City of Las Vegas currently holds an R&PP Lease for N-63336 generally located between Rainbow Blvd. and Durango Dr., along the Summerlin Pkwy.

The majority of this R&PP site north of the Summerlin Pkwy. has already been developed. However, attached is an amended Plan of Development for the portion lying south of the Summerlin Pkwy. and east of Tenaya Way. This amended Plan of Development is being submitted to include the revised plan for the Bonanza Trail project.

If you have any questions, please do not hesitate to contact Rebecca L. Rury at (702) 515-5087.
