**PURPOSE/BACKGROUND:**

Events that are authorized by a special event permit from the City are currently exempt from the City's noise regulations. This bill will provide a similar exemption for events that take place at businesses within the Downtown Entertainment Overlay District that have an alcoholic beverage license. The logistics and limitations of the special event permit process do not lend themselves to the nature and frequency of the entertainment events that will occur in the District - and in fact are the reason for the District.

**RECOMMENDATION:**

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
