RE: VAC-26418

July 29, 2008

Dear Council Members:

Our home is located in Wolf Creek sub division on the north east corner of Amber Station Ave. & Canyon Ranch as indicated by the red X on the enclosed post card.

A large portion of the residents located on or north of Brent Ln. use Chestnut Run and Canyon ranch as a short cut to their subdivision. (See yellow highlighted area on post card). They could use Jesse Hill Ave. off of Jones which is the entrance to their subdivision. The problem is the large amount of traffic heading through our subdivision of which most are speeding along Canyon Ranch and through the intersection of Canyon Ranch and Amber Station Ave. Some time back my neighbor located across the street on the south east corner of Canyon Ranch and Amber Station Ave. had his vehicle hit so hard by a hit and run driver that his vehicle ended up in the intersection. This would be a great place for traffic officers to write speeding tickets.

When school is in session the children from the subdivision to the north also use Wolf Creek subdivision as a shortcut. Children throw rocks on the roof and at the windows. There is no shortage of ammo because of the desert landscaping. A couple of months ago we ended up with 3 bicycles in our back yard. Someone through them over the fence. Thank God no one was standing in the line of fire. I was concerned that maybe the bikes were stolen so I called the Police Department and they sent two officers out in two separate patrol cars. I am sure they had something more important to tackle.

I am 100% in favor of the petition. Thank You for you service to our communities

William Guffy
