**PURPOSE/BACKGROUND:**

In September 2003, the SNRPC Board adopted a Homeless Intervention Proposal and created the Committee on Homeless (CoH) in an effort to address the needs of homeless persons in Southern Nevada. The SNRPCs CoH established the inclement weather shelter as well as regional coordination efforts. The total cost is \$5,187,947 and will be shared amongst all local government entities on a population-based formula. The city of Las Vegas investment to this regional effort for FY 2008-2009 is \$331,382.25. These funds will be used to support and implement programs and services such as regional homeless coordination, inclement weather shelter, HMIS, and the homeless shelter and street count. Additionally, this year's inclement weather shelter will be offered year round as opposed to seasonally in an effort to decrease the number of homeless on the streets.

**RECOMMENDATION:**

Staff recommends approval of the Interlocal Agreement upon approval as to form by the City Attorney.
