Funding Source: BLM

Dept./Division: PW/City Engineer

PURPOSE/BACKGROUND:

On February 20, 2008 funding to implement the Las Vegas Wash Trailhead Bridge, in the amount of \$2,862,000 was approved by the Secretary of the Interior. This pedestrian bridge will connect two trailhead projects previously approved (Sandhill/Owens Park and Trailhead-Private Land and City Owned Land). These trailheads are located across from each other on opposite sides of the Las Vegas Wash and along the Las Vegas Wash Trail Phase I. The bridge will provide a pedestrian connection for the Sandhill/Owens Private Land parcel and the residents on the side of the channel to reach the Las Vegas Wash Trail. The bridge is anticipated to be at least a 200 foot span so the bridge footings will be out of the channel flood level waters.
