**PURPOSE/BACKGROUND:**

The Open Meeting law permits the City Council to conduct closed sessions for among other reasons discussion and evaluation of the character and professional competence of a person. While all decisions and actual deliberations regarding compensation and employment must be made during the public agenda item which follows the closed session, these private meetings permit candid conversations which might not be appropriate for a public meeting. Minutes of a closed session must be generated in the same fashion as the public portion of the agenda, but the minutes are confidential unless the person who is the subject of the closed session chooses to release them.
